Subject: Salary Ranges for Executive Compensation Positions

As we communicated in our May 17, 2006 memorandum, the Budget and Control Board established the following guidelines for pay increases for Executive Compensation System and other non-academic unclassified employees: "Agencies are authorized to award annual pay increases to Executive Compensation System and other non-academic unclassified employees from 0% to 6% effective the first pay date on or after July 1, 2006." To assist you in awarding these increases, a listing of your agency's executive compensation position(s) and associated pay ranges is provided on the enclosed report. Please note that the minimum, midpoint and maximum of the Executive Compensation System salary ranges have been increased by approximately 3.00%.

Should you have questions regarding these salary ranges, please call your Human Resources Consultant.
